House Industries is delighted to offer our Agricultural Equipment Dealers its 2014 lineup of House Industries Cultivation and Tillage Equipment. For the past three years, we have re-engineered and re-designed our equipment to meet the demanding cultivation and tillage needs of today's farmers. We also offer a full lineup of Forrest City Machine Works parts for their tillage equipment sold over the past 40 years. Moving forward, we will add several new pieces of agricultural equipment, but not until we've put them through a vigorous testing program to ensure we only introduce world class products to the agricultural community.

Customer service is always our number one priority, and we make sure we inventory a multitude of parts to serve you and your customer. Our 99,000 sq. ft. manufacturing facility is equipped with an enormous parts and warehouse department to ensure we will have the parts on the shelf for you and your customer.

With innovative technology and a superior manufacturing process, we are prepared to become a leader in the agricultural equipment market. Our heavy-duty materials of construction, precise manufacturing tolerances, and our custom powder coating paint system provide our dealers with a well built, dependable piece of equipment.

We strive to become a strategic partner with all of our dealers to meet the modern farmer's needs in the field. Our goal is to design and manufacture the highest quality equipment to ensure your customers' long term satisfaction in our equipment and our service.

In addition to cultivation and tillage equipment, we also offer a full lineup of House Re-Lift Pumps used for irrigation and drainage. We have manufactured re-lift pumps since 1949 and continue to provide the best built and most efficient pumps on the market today. We have several models to choose from depending on the customer's needs. We offer both 3-point and pull type pumps in both straight pump models and the famous Camelback series. Most are PTO driven, but electric and engine driven pumps are available from 6" to 16" models to meet even the most demanding circumstances.

Thanks again to all of our dealers — we're excited to offer our products to your customers.

# Dealer Program

## 2015-2016 Agricultural Equipment Dealer Program

All **Dealers** for ECS House Industries, Inc. have a 20% discount on whole good(s) and parts.

To qualify as a **QUALIFIED DEALER** of ECS House Industries, Inc., during the 2015-2016 season, you must place a minimum order, and accept delivery of one or more serial numbered whole good(s) with a total net billing of \$7,500.00.

**Program Period: June 1<sup>st</sup>, 2015 - May 31<sup>th</sup>, 2016**

**To guarantee delivery on/or before February 10<sup>th</sup>, 2016**  
*(orders must be finalized by October 31<sup>st</sup>, 2015)*

By placing a minimum order during the Program, you will receive an extra 5% discount (totaling 25% discount) that will remain until the beginning of the 2016-2017 Dealer Program.

Discounts will also apply to optional equipment when included in eligible whole goods orders.

### **QUALIFIED DEALER & DEALER DISCOUNTS**

**Dealers** participating in the Dealer Program, will receive the 25% **Qualified Dealer Discount**. For orders placed during the Dealer Program, the net payment is due 30 days after delivery.

**Dealers** who do not purchase the minimum (\$7,500) in the Program will receive the standard 20% **Dealer Discount**. The net payment is due 30 days after delivery.

**We appreciate your business, and we thank you for being our dealer!**

## 2015-2016 Agricultural Equipment Fall Dealer Stocking Program

ECS House Industries Inc. is offering a new Fall Stocking Program to all Dealers on its Agricultural Cultivation/Tillage Equipment and Re-Lift Pump lines of equipment. The Fall Dealer Stocking Program Discount will be in addition to its Standard Qualifying Discounts.

**Pricing:**

Current pricing effective June 1, 2015

**Purchasing Schedule:**

June 1, 2015 – October 31, 2015

### Stocking Discounts Schedule

November 10, 2015	December 10, 2015	January 10, 2016	February 10, 2016	March 10th, 2016
5%	4%	3%	2%	Full Payment Due

*If equipment is Paid in Full by these dates, dealers receive additional discount per the above discount schedule.*

**Qualifying Requirements:**

- Orders must be received during the Purchasing Schedule Dates.
- Full payments must be received on March 10, 2016.
- Orders are subject to approval by the sales and credit department of ECS House Industries, Inc.
- All current open invoices must be paid per the terms to receive additional discounts.

**Shipping:**

Shipping costs are due net 30<sup>th</sup> after delivery and do not qualify for discount schedule.

**Credit:**

ECS House Industries, Inc. reserves the right to establish credit and credit limits for dealers.

**Agricultural Equipment** Price List

# 3-PT Bedder Roller

## Features & General Specifications

**Powder Coated Paint Finish**

**Light and Safety Kit**

**Frame:** Heavy-duty 7x7 bar frame

**Hitch:** Category III or IV

**Gauge Wheels:** Adjustable cast gauge wheels

**Shanks:** 1x3 hardened steel shanks with Staylight super duty plows; ruler stickers for easy shank adjustment

**Rollers:** 24" diameter 5/16" reinforced pipe; field replaceable roller stub shafts

**Bushings:** Heavy-duty in critical points

**Transport:** Wings fold over with lock feature for easier transport

**Bearings:** Heavy-duty grease bearings

## Options

**Rear Plow Kit:** Heavy-duty Staylight plows; fully adjustable sweep height and pitch

## Base Machine (includes front furrow plows)

Part Number	Description	Whole Goods Price
1125 - Bedder Roller - 1236	12 Row 36"	\$38,413.58
1125 - Bedder Roller - 1238	12 Row 38"	\$38,413.58
1125 - Bedder Roller - 1630	16 Row 30"	\$40,353.64

## Optional Equipment

### Furrow Plows

Part Number	Description	Whole Goods Price
MFG030758	12 Row 36"/38" Rear Plow Kit	\$5,506.25
MFG030759	16 Row 30" Rear Plow Kit	\$7,372.81
MFG030750	Front Center Plow	\$360.24
MFG030751	Left, 7" Offset Plow	\$339.80
MFG030752	Right, 7" Offset Plow	\$339.80
MFG030753	Straight Plow	\$360.24
MFG030754	Left Outer Row Plow	\$359.40

# Water Furrow Plow

## Features & General Specifications

### Powder Coated Paint Finish

**Toolbar:** Heavy-duty 17 1/2', 4" x 7" x 3/8" structural tubing

**Gangs:** 1 1/2" square axles, 2 bearings per gang, fully adjustable to match tire width

**Hubs:** Heavy-duty 1 1/2" with 3 position adjustment

**Hitch:** Category III or IV; standard and most quick hitch

**Blades:** 22" x 1/4" thick

### Base Machine

#### Part Number

0220HD

#### Description

Water Furrow Plow - 4 X 7 X 17' Bar

#### Whole Goods Price

\$2,525.00

# Ditcher

## Features & General Specifications

### Powder Coated Paint Finish

**Toolbar:** Heavy-duty structural tubing

**Hubs:** 6-hole 4500# rated with tapered roller bearing

**Hitch:** Category II or III; standard and most quick hitch

**Blades:** 22" x 1/4" thick

### Base Machine

#### Part Number

0246

#### Description

Double Disc Furrow Plow

#### Whole Goods Price

\$1,852.32

## Miscellaneous Do-All Kits

### Drag Type 5 Bar Spike Tooth Harrow

<u>Part Number</u>	<u>Row</u>	<u>Row Center</u>	<u>Description</u>	<u>Whole Goods Price</u>
02233P	2	38"	6' Drag Type Harrow Kit	\$1,031.03
02103P	4	38"	13' Drag Type Harrow Kit	\$2,062.06
02113P	6	38"	19 1/2' Drag Type Harrow Kit	\$3,091.03
02223P	8	30"	21 1/2' Drag Type Harrow Kit	\$3,512.30
02123P	8	38"	26' Drag Type Harrow Kit	\$4,326.00

# Pump Pricing

**Three Point Hitch | Wheel Mounted | Hydraulic**

**Camelback Pump Series**

# Camelback Pump Series

## Available Models

### CDM & CDH Models

CD6M, CD8M, CD10M (See M-Performance Curves)

CD6H, CD8H, CD10H, CD12H, CD16H (See H-Performance Curves)

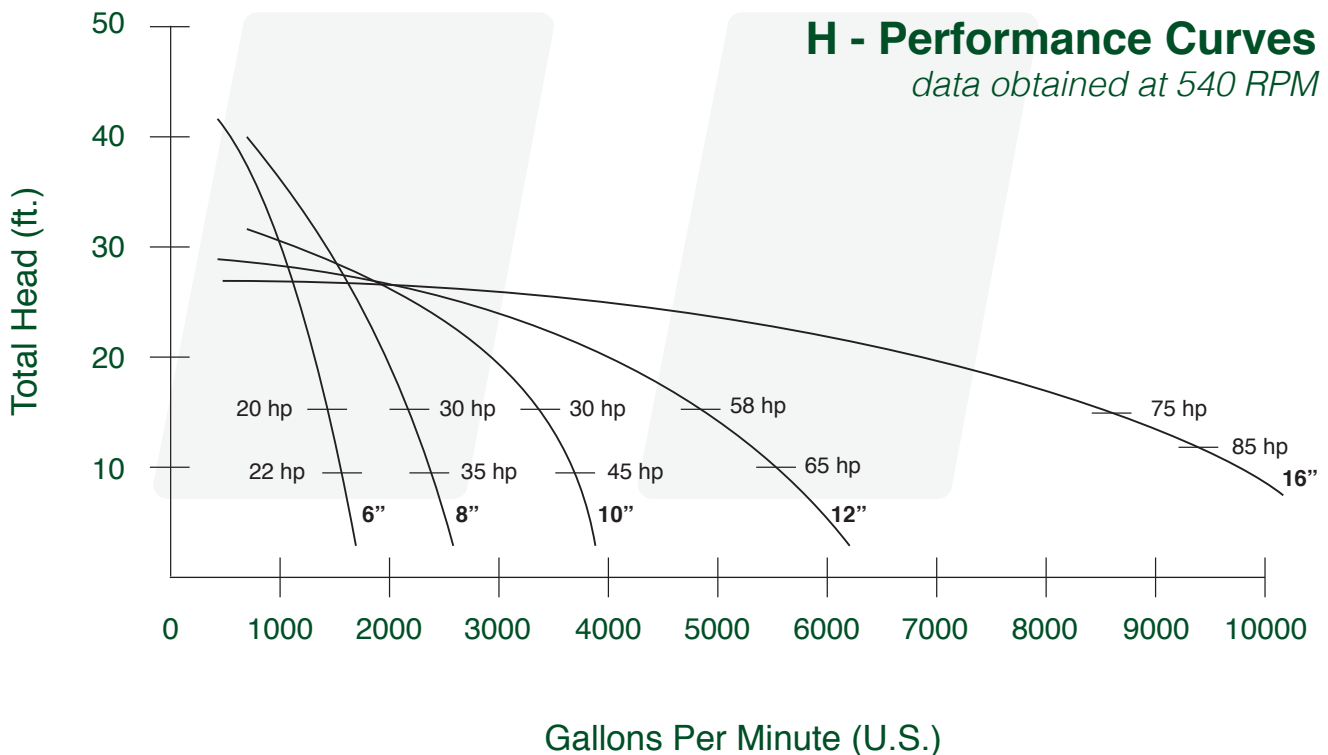

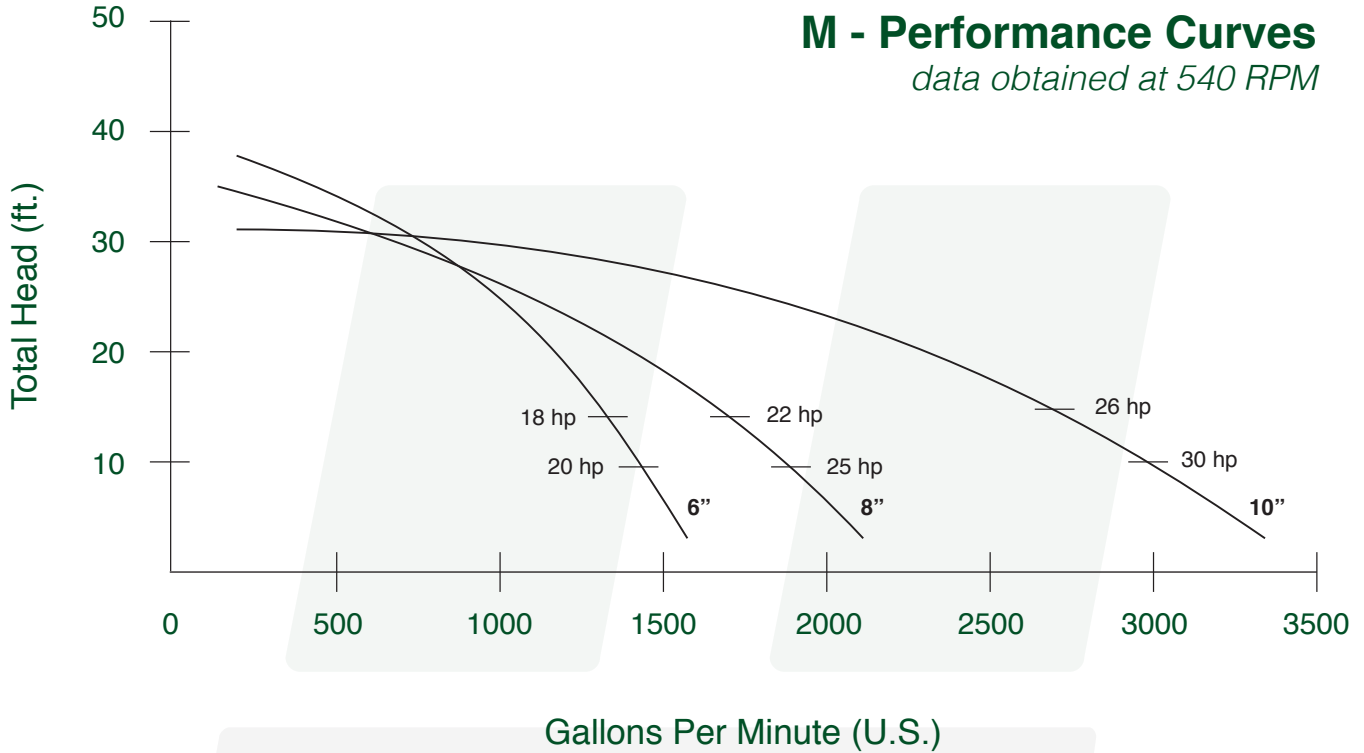

### CTM & CTH Models

CT6M, CT8M, CT10M (See M-Performance Curves)

CT6H, CT8H, CT10H, CT12H, CT16H (See H-Performance Curves)

# Performance Curves

All performance curves were determined from actual test pool data.

# Camelback Pump Series

## Standard Features

- Available in three point hitch, wheel mounted & hydraulic
- Oven coated fusion finish
- Grease lubricated bearings
- Quick detach PTO shafts
- Bolted axle & pump connections for easy maintenance & repair
- Medium-duty models are available in 6", 8" & 10" models with 1 ½" shafts
- Heavy-duty models are available in 6" through 16" models with 2" shafts

## Optional Features

- Custom modification
- Grease lubricated pump bowl bearing (pump bowl bearing is a marine bearing)
- Diesel or electrical engine drive
- Control panels
- Impeller design
- Customized lengths
- Grease fitting blocks
- 45° or 90° discharge elbows
- 540 RPM or 1000 RPM models

# 2016

See dealer for discounts.
